Lester Snow  
Executive Director  
CalFed Bay/Delta Program  
1416 Ninth Street, Suite 1135  
Sacramento, CA 95814

Mr. Snow,

I am writing to urge CalFed to use the EWC/CUWA framework in its water use efficiency program, not the Kern County/Bear Valley proposal. The stronger conservation framework developed and agreed upon by the EWC and CUWA will help protect the environment and ensure future water supplies.

Sincerely,

Samuel D. Cohen
